As part of The Promise Center's ongoing Community Needs Assessment, we are asking that you assist us by completing the following survey. The results of the survey will assist in driving resources toward the greatest community-identified needs.

The following topic areas require that you mark the **three most urgent needs in each category**. Please take the time to review each carefully before making your decision. As always, we value your input and feedback.

#### **EDUCATION – Mark the three most urgent needs.**

- More parents involved in students' education
- Preschool activities for child(ren) to develop school readiness skills
- More assessable counseling to prepare students for tech or college
- More certificate/degree programs offered locally
- Affordable transportation options to and from school
- Affordable high quality childcare options for parent who would like to further their education
- Increasing the community's knowledge of available education resources
- Other (please specify): \_\_\_\_\_

#### **EMPLOYMENT – Mark the three most urgent needs.**

- More jobs with better pay and benefits
- More training for the types of jobs available in the area
- Affordable transportation to and from job
- Affordable childcare during work hours
- Early reinforcement of the values of entering the workforce
- Increasing the community's knowledge of available employment resources
- Improve the workforce readiness skills of people who are able to work
- Other (please specify): \_\_\_\_\_

#### **HEALTH – Mark the three most urgent needs.**

- More community focus on preventative healthcare
- Provide more education on maintaining personal hygiene
- More payment assistance programs for adult dental and/or hearing services
- More vision assistance programs for adults
- Increasing the community's knowledge of available health resources
- More emphasis on early childhood nutrition education
- More emphasis on reinforcing healthy eating habits
- More nutritional counseling (one on one and free)
- More knowledge of available food resources
- More assistance and resources for victims of domestic violence
- Other (please specify): \_\_\_\_\_

#### **HOUSING – Mark the three most urgent needs.**

- More monthly rental assistance programs
- Increased availability of security/utility deposit programs
- More counseling resources for homeowners
- More grants to make home ownership and home rehab affordable
- More grants to provide services that reduce energy cost
- More programs to provide free home repair
- More income based rental housing for disabled and seniors
- More community supports for homeless families
- Other (please specify): \_\_\_\_\_

#### **INCOME AND ASSET BUILDING – Mark the three most urgent needs.**

- Anonymous and confidential budget counseling
- More education on how to build assets
- Information on how to access free credit counseling
- Anonymous and confidential savings counseling
- More access to low interest loans
- More information on how to access financial resources
- Increasing the community's knowledge of available mainstream financial resources
- Other (please specify): \_\_\_\_\_

#### **CIVIC ENGAGEMENT – Mark the three most urgent needs.**

- Increasing the community's skills and knowledge for leadership development
- More citizenship classes
- More education on how to join neighborhood associations, community boards, advisory groups or similar organizations
- More knowledge on civic activities
- Other (please specify): \_\_\_\_\_

#### **SUPPORT SERVICES – Mark the three most urgent needs.**

- Child Support       Legal Services       Youth Services
- Meal Programs       Life Skills Programs and Services
- Substance Abuse Resources       Emotional Abuse Services
- Sexual Abuse Services       Physical Abuse Services
- Transportation Services
- Other (please specify): \_\_\_\_\_

#### **OVERALL NEEDED – Mark the three most urgent needs.**

- Employment
- Education
- Income and Asset Building
- Housing
- Health
- Civic Engagement
- Support Services (supporting multiple domains)

What resources were most helpful to you/your family/your community during COVID?

The financial resources were helpful during COVID.

What resources were there not enough of?

There were not enough job opportunities during COVID.

What needs still exist?

Being able to get jobs with entry level status.

What health issues have you/your family/your community struggled with?

As part of The Promise Center's ongoing Community Needs Assessment, we are asking that you assist us by completing the following survey. The results of the survey will assist in driving resources toward the greatest community-identified needs.

The following topic areas require that you mark the **three most urgent needs in each category**. Please take the time to review each carefully before making your decision. As always, we value your input and feedback.

**EDUCATION – Mark the three most urgent needs.**

- More parents involved in students' education
- Preschool activities for child(ren) to develop school readiness skills
- More assessable counseling to prepare students for tech or college
- More certificate/degree programs offered locally
- Affordable transportation options to and from school
- Affordable high quality childcare options for parent who would like to further their education
- Increasing the community's knowledge of available education resources
- Other (please specify): \_\_\_\_\_

**EMPLOYMENT – Mark the three most urgent needs.**

- More jobs with better pay and benefits
- More training for the types of jobs available in the area
- Affordable transportation to and from job
- Affordable childcare during work hours
- Early reinforcement of the values of entering the workforce
- Increasing the community's knowledge of available employment resources
- Improve the workforce readiness skills of people who are able to work
- Other (please specify): \_\_\_\_\_

**HEALTH – Mark the three most urgent needs.**

- More community focus on preventative healthcare
- Provide more education on maintaining personal hygiene
- More payment assistance programs for adult dental and/or hearing services
- More vision assistance programs for adults
- Increasing the community's knowledge of available health resources
- More emphasis on early childhood nutrition education
- More emphasis on reinforcing healthy eating habits
- More nutritional counseling (one on one and free)
- More knowledge of available food resources
- More assistance and resources for victims of domestic violence
- Other (please specify): \_\_\_\_\_

**HOUSING – Mark the three most urgent needs.**

- More monthly rental assistance programs
- Increased availability of security/utility deposit programs
- More counseling resources for homeowners
- More grants to make home ownership and home rehab affordable
- More grants to provide services that reduce energy cost
- More programs to provide free home repair
- More income based rental housing for disabled and seniors
- More community supports for homeless families
- Other (please specify): \_\_\_\_\_

**INCOME AND ASSET BUILDING – Mark the three most urgent needs.**

- Anonymous and confidential budget counseling
- More education on how to build assets
- Information on how to access free credit counseling
- Anonymous and confidential savings counseling
- More access to low interest loans
- More information on how to access financial resources
- Increasing the community's knowledge of available mainstream financial resources
- Other (please specify): \_\_\_\_\_

**CIVIC ENGAGEMENT – Mark the three most urgent needs.**

- Increasing the community's skills and knowledge for leadership development
- More citizenship classes
- More education on how to join neighborhood associations, community boards, advisory groups or similar organizations
- More knowledge on civic activities
- Other (please specify): \_\_\_\_\_
